Get added security when you shop

Shop with your card instead of cash for added protection against fraud. With Visa's Zero Liability policy,* you aren't responsible for unauthorized purchases, including those made online. Gain greater control and help prevent fraud with Card Control and Card Management from Oregon State Credit Union.

Save time and money

Your debit card is also an ideal way to pay for monthly expenses like rent, utilities, cable and more. It's faster than writing checks, plus you'll save the expense of buying new checks.

*Visa's Zero Liability policy covers U.S.-issued cards only and does not apply to ATM transactions, PIN transactions not processed by Visa or certain commercial card transactions. Cardholder must notify card issuer promptly of any unauthorized use.

The credit union difference **Ownership**

Credit unions are an economic democracy. Each credit union member has equal ownership – regardless of how much money a member has on deposit. At a credit union, all members are owners.
