# Oregon State Credit Union difference

## Congratulations to the 2022 TLT Scholarship winners

Every year, Oregon State Credit Union awards scholarships to college-bound high school seniors from our 24-county membership area as part of our commitment to education. This year, 10 deserving students received a \$2,500 scholarship to attend a college or university in Oregon.

The TLT (Tomorrow's Leaders Today) Scholarship program recognizes overall excellence within our

student members. Over the last 20 years, over 250 students have received more than \$275,000 in scholarships toward their college education.

All TLT Scholarship recipients are Oregon State Credit Union members who graduated from a high school in one of the counties within our field of membership, and all will be attending an in-state college or university this fall.

The following are this year's winners of the TLT scholarship:

**Itzel Arizmendi**

A graduate of Eddyville Charter School, Itzel will attend Oregon State University and study public health.

**Dylan Bell**

## The credit union difference Social purpose; people helping people

Credit unions exist to serve their members' financial needs, not provide a profit to third-party investors. They know their credit union will be there for them in bad times, as well as good. The same people-first philosophy is at the heart of why credit unions and our employees get involved in the local community through charitable and other worthwhile causes.
