Oregon State Credit Union difference

Who qualifies for a TLT Scholarship?

Each spring, Oregon State Credit Union awards ten \$2,500 college scholarships to eligible high school seniors graduating from a high school within our 24 county field of membership. The TLT (Tomorrow's Leaders Today) Scholarship recognizes and encourages academic excellence and community engagement among our student members.

To be eligible to apply for a TLT scholarship, applicants must be a member in good standing of Oregon State Credit Union, and they must have opened a TLT checking account prior to January 1 of their senior year of high school. They must be a graduating high school senior from one of the 24 counties within our field of membership with a minimum GPA of 2.50, and they must be planning to attend a two- or four year Oregon college or university.

You can learn more about the TLT Scholarship program on our website at oregonstatecu.com/scholarships-and-grants.

Congratulations to the 2023 TLT Scholarship winners

Every year, Oregon State Credit Union awards scholarships to college-bound high school seniors from our 24-county membership area as part of our commitment to education. This year, 10 deserving students each received \$2,500 scholarships to attend a college or university in Oregon.

The TLT (Tomorrow's Leaders Today) Scholarship program recognizes overall excellence within our student

members. Over the last 21 years, over 260 students have received more than \$285,000 in scholarships toward their college educations.

All TLT Scholarship recipients are Oregon State Credit Union members who graduated from a high school in one of the counties within our field of membership, and all will be attending an in-state college or university this fall.

The following are this year's winners of the TLT scholarship:

Julia Bobe

A graduate of Corvallis High School, Julia will study business analytics at Oregon State University.

Addison Cleveland

Addison graduated from Philomath High School and plans to study associated animal technologies at Linn-Benton Community College.

Ashley Hamblin

Ashley is a graduate of Philomath High School. She will be attending Oregon State University, where she plans to study psychology.

Nicole Louie

Nicole graduated from Corvallis High School. She will study business administration at Oregon State University.

William Maness

The credit union difference Social purpose; people helping people

Credit unions exist to serve their members' financial needs, not provide a profit to third-party investors. They know their credit union will be there for them in bad times, as well as good. The same people-first philosophy is at the heart of why credit unions and our employees get involved in the local community through charitable and other worthwhile causes.
